

Sanskrit Quote by Elliot Burch (aka Edward Albert Jnr)

*Yesterday is only a dream
And tomorrow is only a vision
But today, well lived...
Makes every yesterday a dream of happiness*

And every tomorrow a vision of hope...

My Elliot...

*When I heard you were gone from us,
At first I could not — would not — believe it.
Then I knew that God truly wanted a very special angel,
An angel with such love and compassion,
That he chose to take you from us...*

Was it fair...no...

Was it just...no...

Was it right...no...

*But I do know that heaven is graced with your presence,
That you will welcome Winslow with warmth and love.
And the stars will gleam brighter in the sky tonight,
Because your smile shines among them forever...*

*But I will miss you now and for always,
Because you were my very special Beast,
Because, my Elliot, you were truly beautiful...*

It is ended, it is ended, go in peace...knowing Always
that nothing is forgotten, nothing is ever
forgotten...

As long as one of us remains to hold the Winterfest
gathering candle aloft for all to see, we will endure...
we will...

Be Well Always...May the Blessings of the season be
with you all...
