

While I Live...

by Judith

"While I live, you live...with me. In me. Always..."

"Always... But then, a true love story never ends, Vincent. We have proved that. Together, we have made three beautiful children, and managed to create a world between Above and Below, that we can share with those we love.

"Thirty years have passed in the blink of an eye. We have endured, despite everything."

"Yes, Catherine. Despite everything, we remain standing. We will always remain, as long as we have each other."

"I love where you're going with this, Vincent. But, it still doesn't save you from helping with the dishes!"
