

# DO YOU SEE THE WONDER

by Anne McClelland

(from 'Dreams in Amethyst')

*Do you see the wonder in my eyes  
When I gaze at the  
Glorious apparition of  
Your face  
Such beauty could never exist  
In my world  
Let me come to you  
Let me live in your world, where  
Every moment of every day  
I can see  
Your beauty*

\*\*\*

*What do you feel, my love, when  
You read my words  
Each one an anthem  
In your name  
There are times when my words  
Fail me  
But, there are times  
When words are not enough  
In those times, Vincent  
Let me love you  
Open your senses to mine  
And let us  
Be one*
