

# **BOOM**

by Allison Duggins

Mouse **FINALLY** has a use for me, after being a box full of what everyone called 'useless junk' for God knows how long.

What I wouldn't give to stick my 'you know what' up Winslow's behind after all the nasty things he said.

What's that Catherine brought? Ahhhhh, Tunsten Carbide drill bits. We'll show him.

There, Mouse inserted the plastic explosive ... to save Father and Vincent.

Wait! Plastic explosive! That's what he used me for ...

**Boom!** Hey, it worked. Father and Vincent are free and that man Winslow is helping Mouse. I guess I misjudged him. And now for my next trick ...
