

Kiss, Kiss

by Angie

Kiss. Such a little word, Vincent thought. It could not encompass his joy.

“Make me immortal with a kiss’,” he whispered.

Catherine looked into his eyes. Truly, his kisses were amazing!

“Now a soft kiss - Aye, by that kiss, I vow an endless bliss”, he thought, after another.

“Close your eyes and I’ll kiss you, Tomorrow I’ll miss you”, she quoted back.

He bent to kiss her again, felt the welcome, the love in her heart for him.

Later, he quoted softly, “A kiss is a rosy dot over the ‘i’ of loving”

To which she answered as before.
