

# Bécherel

by Ulrike

Hi Chandler, little brother,

Do you remember if Father has knowledge of French? I'm not sure. Sometimes, in my memory, it seems as if he knew everything. Of course, this is mostly a childish impression.

The reason I'm asking is that I visited Bécherel, a beautiful, quaint village in the northwest of Rennes with 599 inhabitants. Time seems to have stood still here.

Between Easter and October, several events take place, beginning with a book festival. This tiny village has about 15 book shops. So, unbelievably, it has become a book town. Father might be interested.

Lots of love

Devin
